LED FOOSBALL BRANDING SHEET

FULL BRANDING

Full branding transforms the LED Foosball table with custom decals on all sides of the game, creating a fully branded look while preserving the game's signature LED lighting effects. Designed and printed in-house, every decal is produced with vibrant, high-quality graphics for a seamless finish.

SPEC SHEETS

If you're working with your own design team, this specification sheet provides all the dimensions needed to create your custom artwork. Simply use the templates below to build your designs and send us the final print-ready files for production (300dpi PNG, PDF, .ai, or .PSD files).

IMPORTANT:

Provide all logos separately as transparent 300dpi PNGs to ensure accurate placement during wrap process.

Your artwork does not need to fill the entire area and does not need to be square. Any dimensions or shape are acceptable as long as the overall design fits within the 30" × 30" limit.

MAXIMUM SIZE FOR MAIN LOGO DECAL

30”x 30”

MAX SIZE FOR SECONDARY & TERTIARY DECALS

x4

10”x 10”

x4

6”x 6”

Maximizing the size of the main graphic will require the secondary decals to be reduced in size or quantity to fit the available space.

Sizing may be altered by our graphics team to ensure all decals fit on the game.
