CUSTOM BRANDING OPTIONS

PARTIAL BRANDING

Three customizable panels (Front, back, and side decal) can be wrapped with your logo, event branding, or party theme, creating a cohesive look that complements your celebration. It's the perfect way to personalize the experience without a full booth wrap.

FULL BRANDING

A full-body wrap completely transforms the booth with your logos, event branding, colors, or party theme from top to bottom. Create a fully immersive, one-of-a-kind experience that seamlessly complements your event and makes a lasting impression on every guest.

SPEC SHEETS

If you're working with your own design team, these specification sheets provide all the dimensions needed to create your custom artwork. Simply use the templates below to build your designs and send us the final print-ready files for production (300dpi PNG, PDF, .ai, or .PSD files).

Important: Every panel measurement includes a 1-inch bleed on all sides. Keep all important text, logos, and graphics inside this safe area to prevent them from being trimmed during production. Background colors, patterns, and non-essential design elements should extend through the bleed to ensure a seamless wrap around the game.
